ROHA MEDICAL CAMPUS

Addis Ababa

Subject: - Update of Environmental Clearance Certificate for the implementation of Roha Medical Campus Project

Clearance Validity: One Year

It is to be recalled that you have submitted the revised Environmental and Social Impact Assessment (ESIA) report for *Roha Medical Campus Project* which is under implementation in Addis Ababa City Administration, Bole Sub-city, woreda 13.

The Authority evaluated the revised ESIA report in accordance with the environmental requirements of the country and found that the project complies with them. Accordingly, we have approved the implementation of it with the following *Conditions*:

- The company has to conduct external environmental audit, for the project implementation so far, by consulting firm and submit to EPA within **three (3) months**;
- The company has to establish Environmental Unit and implement the Environmental and Social Management Plan (ESMP) and submit environmental monitoring report quarterly;
- The company has to renew the Environmental Clearance Certificate (ECC) annually after external environmental audit submission;
- The company has to address any unforeseen adverse effects of the project that is not stated on the study document and inform to the Federal EPA and other concerned body;
- The company shall co-operate EPAs while carrying out environmental audit and monitoring on the Project as deemed necessary.
